#### **Bonus! GIFT #3 – Check below for a special coupon, just for you!**

**Don't stop reading!** To encourage you to read on, there are 2 more special gifts just for you inside this PDF.

I can assure you, you don't want to let this gift get away.

Simply read on, learn a bit more about the 5 best resources on KoreanClass101.com and how they will help you master Korean fast!

1. **[Free Lifetime Account](#)** – sign up in less than one minute and get a special free gift!

With a Free Lifetime Account, you can have access to the most comprehensive site to learn Korean. You will be speaking in minutes and have access to hundreds of lessons.

Study at your own pace, as expert Korean teachers and show hosts share the secrets of learning Korean fast! No matter where you are, you're never studying alone as our teachers and vibrant and always active user community is always there to help!

In addition to your free lifetime account, you get 7-days of free access to the Premium learning resources on the site! This is 1 of our 3 gifts to you. Don't miss this chance to get something for absolutely nothing. ([GIFT #1](#))

2. **Lesson notes** – the best way to complete your understanding of the lessons: dialog transcripts, vocabulary, sample sentences, grammar explanation and cultural insight.

The Lesson Notes are the best way to complete your understanding of the lessons. Access the transcript, with the translation, and improve your reading speed and comprehension. Master all lesson specific vocabulary with vocabulary lists. Sample sentences in the lesson notes help you understand word usage. The grammar point is written to give you full comprehension of the grammar in the lesson.

Print the lesson notes to take with you, write on, and track progress.

3. **Line by line audio and voice recorder** - master listening comprehension and perfect pronunciation by listening to the conversation line-by-line and record yourself speaking with these 2 tools.

Compare the Korean and English transcripts side-by-side and listen to each line as many times as you need to review and perfect your comprehension.

Refine your speaking skills by recording your own voice and then comparing your pronunciation to our teachers.

4. **Premium sample Feed** - sample the best way to choose and get lessons and ALL accompanying material for your level. Get 10 complete lessons here. ([GIFT #2](#))

Get instant access to our [3-part Introduction Series](#) and 10 complete lessons, including, all accompanying Lesson notes and premium audio tracks (Dialogue, Review, etc.). With this, you are testing out our Premium feed, which allows you to get hundreds of lessons at the click of a button.

5. **Introduction Lessons** – learn the secrets to mastering Korean fast with our proven

approach used by hundreds-of-thousands around the world.  
Start speaking in minutes!

With our Introduction lessons, you'll learn how to use our system to master Korean fast!  
These lessons are completely free, and with these lessons you'll find out how you too,  
can learn Korean in a fast, effective and fun way!

([GIFT #3](#))
